

ETS is pleased to announce that Teoria (print version) has been accepted for indexing in *Web of Science*, the largest and most comprehensive citation index available. The quality and depth of content *Web of Science* offers to researchers, authors, publishers and institutions sets it apart from other research databases. The inclusion of Teoria in the Arts and Humanities citation index demonstrates our dedication to providing the most relevant and influential philosophical content to our community.

The *Web of Science*, Thomas Reuters *Web of Knowledge*, the impact factor and *Journal Citation Report* are Thomson Reuters products.

Teoria (print version) is also abstracted and indexed in the Philosopher's Index, in the Philosophy Research Index, in Elsevier-Scopus and in the European Reference Index of the Humanities.
